

Call for Papers

10th International Conference on MIGRATION AND DEVELOPMENT

CERDI -- Université Clermont Auvergne, Clermont-Ferrand, June 29-30, 2017

The French Development Agency (AFD) Research Department, the World Bank Development Research Group (DECRG) and the Center for Research on International Development (CERDI) at Université Clermont Auvergne, Clermont-Ferrand, are jointly organizing the 10th International Conference on “Migration and Development”. The conference is devoted to investigating ways in which international migration affects economic and social change in developing countries. Possible topics include the effects of migration on poverty, inequality, and human capital formation; social networks and migration; diaspora externalities; remittances; brain drain; migration and institutional/technological/demographic change.

A selection of papers from the conference will be considered for a special issue of the *Journal of Development Economics*.

KEYNOTE SPEAKERS:

Christian Dustmann, University College London

Mark Rosenzweig, Yale University

Submission guidelines and timetable: submissions of full papers (pdf files) are expected by January 15, 2017. Submissions should be sent to conference-migdev.cerdi@udamail.fr. Decisions will be communicated by February 25, 2017. Travel (economy class) and accommodation in Clermont-Ferrand for up to three nights will be covered.
